How to Download the DiriGo TouchPass APP and Add Funds

To Start:

- Open the App Store/Play Store on your phone.
- Type "TouchPass Transit" in the search bar, and install the TouchPass Transit App.

Setting up Your Account:

- Open the app, take a quick tour of the app (or just tap "no thanks ") to get started setting up your account.
- Tap "Don't have a card?" If you do have a card, **STOP**. You can't have an app and a card. Customers with card accounts should register their cards online at Touchpass.com.
- Create a username & password. (Your password must have at least eight characters, including at least one uppercase/capital letter and one number.) Keep track of your username as it will be needed to access and make changes to your account.
- **Next**, accept the Touchpass terms and conditions.
- **Lastly**, you'll need to select your agency. Be sure to choose "DiriGo (Southern Maine)." It should be first on the list.

To Load Money:

- Tap on the **green** "Buy" button
- Tap on the **green** "\$ Stored Value" bar.
- Choose the amount you wish to load, or type in a custom amount (minimum load is \$4, maximum \$200).
- Enter your debit/credit card or banking information.
- Click purchase and your done!

How to Ride:

- Simply open your Touchpass app.
- You will see a QR code on your screen.
- When you get on the bus, **scan the QR code to the reader**. You'll want to hold your phone about 10 inches from the reader, and try to avoid glare.
- Once the **green** light displays you're good to go!
