Medically Verified Disability information – continue on to page 2

If a health care professional feels an individual, who, by reason of illness, injury, age, mental illness, cognitive impairment, or other permanent or temporary incapacity or disability, including those who are non-ambulatory, using a mobility aid and those with semi-ambulatory capabilities, **are unable without special facilities or special planning or design to utilize mass transportation facilities and services as effectively as persons who are not so affected** (Title 49 CFR 609.3—Definitions), qualifies for Reduced Fare status, please document it in Section 2. This disability or incapacity must result in a reduced capacity to perform actions necessary for the use of regular fixed-route services without receiving special training or assistance.

Section 2: To be completed by Professional Healthcare Provider/Agency within 30 days of application date

In order to qualify for Dirigo Pass Automated Fare System reduced fare, your client/patient listed on this application must have a physical or mental/cognitive condition that falls within the medical eligibility criteria that substantially limits a major life activity, such as caring for one's self, walking, seeing, hearing, speaking, breathing, learning, and/or working, and that further meets legal standards for reduced fare eligibility listed on page one of this application.

Is this disability permanent? ☐ Yes ☐ No **If no, how long do you expect it to last?** _____

(Note: If disability is temporary, it must last for at least 90 days to be eligible for reduced fare.)

I certify that: _____ meets the criteria for reduced fare as listed above,
and the **Qualifying disability is:** _____.
